

APPOINTMENT AID

Be prepared for your 15 minute appointment

I want to talk about:

- 1.
- 2.
- 3.

Please be aware that a GP appointment is 15 minutes long. If your priority issue is a complex one, there may not be time in the consultation to address other concerns. Use this form to list all of your concerns, as sometimes symptoms are linked. You could also book a double appointment for an extra charge if you have saved up a few items to be addressed.
